***Lucy, the Daughter of the Devil*** is an American [adult animated](#) television series that aired on [Cartoon Network](#)'s late-night programming block [Adult Swim](#). It was created and directed by [Loren Bouchard](#) and Fluid Animation.<sup>[1][2]</sup> The show features [Melissa Bardin Galsky](#) as Lucy, the daughter of the [Devil](#), who is voiced by [H. Jon Benjamin](#).<sup>[3]</sup> It is the first computer-animated Adult Swim series and the first to feature a female protagonist.

## Production [[edit](#)]

The pilot episode "He's Not the Messiah, He's a DJ" first aired on October 30, 2005.<sup>[4]</sup> After nearly 2 years and a number of re-airings, the show was picked up for a full season, which premiered on September 9, 2007.<sup>[5]</sup> Although the show was in 4:3, there were black bars on the top and bottom of the screen, making it seem like a show in 16:9. Sometimes, characters and shots would appear behind the black bars.

Some changes were made between the pilot and the full series. The voice of Lucy was changed from [Jessi Klein](#) to [Melissa Bardin Galsky](#); the third Special Father character, a black man missing an eye, was discarded and replaced with the Special Sister; and the cover of "[Maneater](#)" used as opening music was replaced for rebroadcasts.

## Premise [[edit](#)]

The show follows the titular 21-year-old [Lucy Morningstar](#), who lives in [San Francisco](#) and has been ordained by her father, the [devil](#), to fulfill her destiny as the [Antichrist](#), whether she likes it or not. **messiah**, and the two begin dating from the first episode after Lucy saves him from a fire created by her father to kill him.

Meanwhile, her father tries different schemes in his quest to take over the world with the help of his "**advocate**", Becky, who acts as something of a **personal assistant**. At the same time a group of "Special **Clergy**", two **priests** and a **nun**, are on a mission from the **Vatican** to find and destroy Lucy.

## Characters [ edit ]

- Lucy Morningstar (voiced by **Melissa Bardin Galsky**) is the **Antichrist**, born of The Devil and an unnamed woman in exchange for a **Datsun 280 ZX**.<sup>[6]</sup> An apparently normal young woman with the single exception of a small pair of **devil horns**, she has graduated from **art school** but is on no fixed career path, instead helping her father out in his ventures to conquer the world and taking a more-or-less permanent position as a bartender at his restaurant, Tequila Sally's, in the meanwhile. She is in a relationship with DJ Jesús, helps him in his different stunts, and seems to want to get him and her father close together.<sup>[7]</sup> Lucy was voiced by **Jessi Klein** in the pilot.
- Jesús (voiced by **Jon Glaser**) is a DJ, **claustrophobic** escape artist,<sup>[8]</sup> and the **messiah** who performs "nearacles" ("almost **miracles**, but not quite.") during his sets. He has a Hispanic accent.<sup>[6]</sup>
- The Devil (voiced by **H. Jon Benjamin**) is the figure of pure evil, though he seems more playful and naughty than malevolent, and is willing to take over the world slowly and through schemes. Though he is certainly willing to outright kill the DJ when the possibility arises,<sup>[8]</sup> he will also settle for lesser schemes to get him out of the way or even allow him to live if he believes he can benefit from it. He is often wearing a sweater that is a reference to **Bill Cosby** from *The Cosby Show* giving him a "Dad" look.<sup>[9]</sup>
- Becky (voiced by **Melissa Bardin Galsky**) - Officially titled the **Devil's Advocate**, Becky serves as something of a personal assistant and manager for the Devil.<sup>[6]</sup> Playing the level head to the Devil's flights of fancy, she is frequently annoyed at his schemes, voicing the opinion that they're rather pointless or unnecessarily involved. Her head is a fleshless skull.<sup>[9]</sup> It is suggested in the pilot that Becky is the mother of Lucy.
- Judas (voiced by H. Jon Benjamin) is DJ Jesús' sycophantic personal assistant. He can usually be found at Jesús' side, helping him with his stunts. Among his responsibilities is wrangling the ever-present camera crew around the DJ.
- Senator** Robert "Bob" Whitehead (voiced by **Sam Seder**) is a U.S. Senator who worships Satan, though he tries to keep it a secret from the public. The Devil has made plans for him to become President of the United States, with Lucy at his side; however, she is completely uninterested in him.<sup>[6]</sup>
- The Special Clergy are a group of priests and a nun on a mission from the Vatican to save the world from the Antichrist.<sup>[6]</sup> They collect rare religious artifacts and spy on characters with Satanic ties, to help them with their mission. The following are members of the Special Clergy:

- Special Father #1: Giuseppe Cantalupi (voiced by H. Jon Benjamin) is the apparent leader of the trio. He is heard giving a monologue at the beginning of almost every episode.
- Special Father #2: Benetti (voiced by Sam Seder) is the most quiet of the trio. He speaks with an Italian accent and is never seen without his [night-vision goggles](#).
- Special Sister: Mary (voiced by [Eugene Mirman](#)) - With a [lazy eye](#) and a shrill, grating voice, Sister Mary seems to be the most dedicated to the Special Clergy's mission. She is not above killing innocent bystanders, and will do so at the slightest provocation.
- Ethan (voiced by [Todd Barry](#)) is Lucy's date in episode one "He's Not the Messiah, He's a DJ".

## Episodes  [ [edit](#) ]

The pilot first aired in 2005, and the series began in 2007. A unique feature of *Lucy* is that each episode features a different opening sequence with a new theme song.

3	"Dildo Factory"	"Sperm Waltz" <sup><a href="#">[11]</a></sup>	September 16, 2007	103
<p>In hopes of increasing the amount of masturbation taking place on Earth and hasten the downfall of civilization, the Devil launches "Sinspirations", a <a href="#">sex toy</a> manufacturing/outreach company. At the same time DJ Jesús attempts to break the world record of holding his arms out for three days and he asks Lucy to get a special order <a href="#">dildo</a> created of him with his arms out that can be auctioned off on his website.</p>				
4	"Temptasia"	"Holding Hands Around the World" <sup><a href="#">[12]</a></sup>	September 23, 2007	104
<p>Lucy, Judas, and the Special Clergy await DJ Jesús' prophesied arrival at <a href="#">Burning Man</a>. The Devil and Becky, however, try to tempt him to keep him from showing.</p> <p><b>Biblical references:</b> The episode parodies the New Testament <a href="#">Temptation of Christ</a> story.</p>				
5	"Terry the Teratoma"	" <a href="#">Friend of the Devil</a> " <sup><a href="#">[13]</a></sup>	September 30, 2007	105

<p>Senator Whitehead—Lucy's intended future husband—intends to announce his candidacy for <a href="#">President of the United States</a> during a <a href="#">human sacrifice</a> at the annual <a href="#">Bohemian Grove</a> festival, as is the custom. The Devil gets him DJ Jesús to be the sacrificed. Meanwhile, the Special Clergy, having caught wind of the festival, decide to sneak in.</p>				
7	"The Busboy"	"Meat Music" <sup>[15]</sup>	October 14, 2007	107
<p>To keep him out of the way, the Devil secures Senator Whitehead's son, a registered <a href="#">sex offender</a> named Tad, a <a href="#">busboy</a> job at Tequila Sally's. While working there he becomes obsessed with Lucy. Meanwhile, DJ Jesús experiments with foodigami—<a href="#">origami</a> with food—and the Devil moves other offenders around to spell things on the <a href="#">online sex offender registry</a> map.</p>				
8	"The Special Fathers vs. the Vampire Altar Boys"	"Boogie Oogie Oogie" <sup>[16]</sup>	October 21, 2007	108
<p>Altar and choir boys in the San Francisco area have become <a href="#">vampires</a> and are feasting on priests throughout San Francisco, prompting the local Archbishop to blackmail the Special Clergy into helping solve the threat.</p> <p><b>Note:</b> Aside from the Special Clergy, none of the other regular characters appear in this episode.</p>				
9	"Dreamster"	"Dreamster Theme" <sup>[17]</sup>	October 28, 2007	109
<p>The Devil markets a <a href="#">white noise machine</a> which he uses to put people to sleep and enter their dreams with them. In their dreams he poses as a psychiatrist ("Dr. Weiner") to find out their worst fears and attempt to kill them, which would kill them in real life.</p> <p><b>Cultural references:</b> This episode is similar in plot to, and references in dialogue, the <i><a href="#">Nightmare on Elm Street</a></i> series.</p>				
10	"Satan's School for Girls"	"Pound My Tom Tom" <sup>[18]</sup>	November 4, 2007	110
<p>DJ Jesús and his entourage rent out an <a href="#">abandoned</a> Catholic girl's <a href="#">boarding school</a> so he can work in quiet isolation. Strangely enough, thirty years ago the same school was the scene of a grisly crime -- and soon the past invades the present in the form of several Catholic school girl ghosts and an irritating <a href="#">disco</a> song.</p>				
11	"Monster"	"I Know What Boys Like" <sup>[19]</sup>	November 11, 2007	111
<p><b>Series finale.</b> A giant monster has been terrorizing San Francisco. Senator Whitehead wants to kill it on national television to help his Presidential bid, Satan wants to capture and keep it, and DJ Jesús thinks that his power of <a href="#">human beatboxing</a> can destroy it, and all three clash at the <a href="#">Golden Gate Bridge</a>.</p>
